

An Invitation to Living a Healthy Christian Life

(With Registration Form)

By the Lord's mercy and grace, you have received the Lord. Since you are a child of God and a Christian, no matter how long you have believed in the Lord, and whether or not you have been attending Christian meetings, there are a few things that all Christians must face:

Do you want to live a normal Christian life, free from the bondages of sin and the world?

Do you want to know and enter into the riches of the Bible?

Do you want to be built up with other believers to be a testimony for the Lord?

Do you want to see your family, relatives, and friends getting saved? Do you want to learn how to preach the gospel to them effectively?

If your answer is "yes" to the above questions, you must realize that when we believe in the Lord and receive His divine life, that is only the beginning. Just like entering a university, you have only signed up for classes, but the classes have not begun. To sign up for a class is only the procedure; attending the class is the goal.

As believers in the Lord, we need to receive spiritual education in order for the function of the divine life in us to be developed, and for us to be living members of the Body of Christ.

We have prepared a twelve-week new believers' training and exercise. During this time, you will learn about your salvation and the important truths regarding the basic faith. You will also learn how to live a normal Christian life, how to be built up with other believers, and how to preach the gospel to your family, relatives and friends.

This exercise may turn out to be the most important investment of your life and your most valuable learning experience!

We sincerely and earnestly invite you to join us!

May the Lord bless you!
