

# Invitation for Helpers

Dear brother / sister \_\_\_\_\_ :

Are you willing to receive the Lord's commission to be a shepherd?

Are you willing to bear remaining fruit and build up a vital relationship with one new one?

Are you willing to produce spiritual heirs and help a new one to build up a spiritual living?

If you answer "yes" to the above questions, I would sincerely invite you to become my shepherding companions to be those who take care of others. Are you willing? Please accept my earnest invitation!

If you fear you are unable to bear such responsibility, let's pray together first. I believe, through coordination in the Body, the Lord will enable us all.

We will have two weeks to pray together, blend together, and look for new ones together. Then, we will have 12 weeks to take care of these new ones!

May the Lord bless our willingness!

May the grace of the Lord and the love of God and the fellowship of the Holy Spirit be with us all!
